TO WHOMSOEVER IT MAY CONCERN

We have placed P.O. No. BMMIL/PROJ/PPP3/2X70/MEC/PO/13-14/0012 dtd.09-01-2014 for supply of 26 sets of 9725 mm dia. Hollow FRP (Epoxy) blade fans to replace existing CHINA make fans for Energy Conservation and performance improvement in our 2X 70 MW Power Plant. COOLFLO have supplied and successfully commissioned the entire quantity of fans in a period of 6 months from Jan 2014 to June 2014 as per committed delivery schedule.

We are pleased to confirm that all the 26 Sets of COOLFLO fans have achieved more than the minimum guaranteed energy savings of 30% while delivering excess flow in all the fans when compared to that of replaced fans. Due to this, we have achieved short pay-back periods. All the COOLFLO fans are performing well without any operational problems and are running trouble-free for the last more than 18 months.

This certificate is issued at the request of COOLFLO.
